

Credential evaluation companies accepted by East Texas A&M University

The Graduate School may not have enough information or knowledge about your school or we may need a calculation of your GPA. In the case of this, we may ask you to provide transcripts, mark sheets, certificates and diplomas to an evaluation company for evaluation. After your transcripts are evaluated, please have the evaluation sent to the Graduate School.

***Please note: The evaluation will not take the place of your official transcript unless it is a WES-ICAP or full SPANTRAN evaluation with original, official transcripts or International Education Evaluations, Inc.**

WES ICAP evaluations will be required for certain countries, those are listed below:

- Transcripts/Degrees from universities in Nigeria
- Transcripts/Degrees from universities in China that do not come from CSSD (formerly CHESICC)
- Any country where the official transcript is not in English

Please know that upon receipt of your official transcript, the Graduate School reserves the right to require an external evaluation at that time.
